Michael Jackson "This Is It"

This is it, here I stand
I'm the light of the world, I feel grand
Got this love I can feel
And I know yes for sure it is real

And it feels as though I've seen your face a thousand times
And you said you really know me too yourself
And I know that you have got addicted with your eyes
But you say you gonna live it for yourself.

I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
C'mon baby, just understand

This is it, I can say,
I'm the light of the world, run away
We can feel, this is real
Every time I'm in love that I feel

And I feel as though I've known you since 1,000 years
And you tell me that you've seen my face before.
And you said to me you don't want me hanging round
Many times, wanna do it here before

I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
C'mon baby, just understand

This is it, I can feel
I'm the light of the world, this is real
Feel my song, we can say
And I tell you I feel that way

Alexander Rybek: Fairytale

Years ago, when I was younger
I kinda liked a girl I knew
She was mine and we were sweethearts
That was then but then it's true

Chorus

I'm in love with a fairytale,
even though it hurts
'Cause I don't care if I loose my mind
I'm already cursed

Every day we started a fighting
Every night we fell in love
No one else could make me sadder
But no one else could lift me high above

I don't know, what I was doing
When suddenly, we fell apart
Now a days, I cannot find her
But when I do, we'll get a brand new start

Chorus

I'm in love with a fairytale,
even though it hurts
'Cause I don't care, if I loose my mind
I'm already cursed

She's a fairytale yeah
even though it hurts
'Cause I don't care, if I loose my mind
I'm already cursed
